Crediton's historic heritage

Crediton Museum...

at The Old Town Hall in High Street began with an exhibition in 2009 to coincide with the 1100th anniversary of the founding of a cathedral in Crediton.

Open from Easter to October, and featuring a permanent and a different exhibition each year, the museum attracts over 1,500 visitors a year. No admission charge is made but donations are encouraged.

Despite the success of the museum, donations and modest sales from booklets and souvenirs fall well short of rental and other costs. Income from other sources must be secured if the museum is to continue. Many similar organisations have Friends groups to assist in their work and raise funds and if Crediton Museum is to continue, we need to do the same.

Please consider joining if you would like to ensure the Museum continues.

Joining the 'Friends of Crediton Museum' brings the following benefits:

- **Individual Membership** - at £15pa entitles you to:

- i) free entry to a Private View prior to the opening of each exhibition, where light refreshments will be provided and the organisers will give a talk on the exhibition and be able to answer questions
- ii) attendance at an annual social event for Friends only
- iii) a Quarterly Newsletter advising you of the Museum's progress.

- **Individual Life Membership** - at £100 entitles the member to the benefits of Individual Membership and a certificate recognising their contribution to the future of Crediton Museum.

- **Affiliated Group Membership** (open to neighbouring History Societies) - at £25pa entitles that group to a space at the museum to display their artefacts and occasional use of the museum for their own exhibitions (by agreement).

- **Corporate Membership** - at £100pa entitles the member to the benefits of Individual Membership for up to 3 people, inclusion on a Corporate Sponsorship recognition board at the museum and on our web site.

If you would like to become a Friend of Crediton Museum, please complete and return the form below to Alan Sharpe, Treasurer, 40 Okefield Road Crediton, EX17 2DL.
