

CREDITON LIVING LIBRARY

of Food Memories

Join the Crediton Living Library of Food Memories
for an Evening of Story Sharing

SATURDAY 3RD NOVEMBER 2018

CREDITON ARTS CENTRE

7:30-9:30^{pm}

Food has extraordinary power to connect people. We feed our families. We form social bonds with others over shared meals. We give new life to traditions when we cook from old recipes. These important memories are what the Crediton Living Library of Food Memories seeks to gather and share.

We welcome those who have a food story to share memories with us as part of a living library. You may have a memory of trading or eating particular foods, whether at work, on the farm, at home or on the high street. Your memories may be told by spoken word, photos, objects or samples of food.

We welcome those wishing to learn more about the history and personal stories that people in the Crediton area associate with food in the broadest sense. Join us to look, listen and taste, as the volumes of our shared food heritage are opened for all to explore.

There will be a complimentary drink for guests as well as a paying bar.

Entry is free and all are welcome. No booking is required.
