Crediton's historic heritage

Talks on a wide range of historical topics

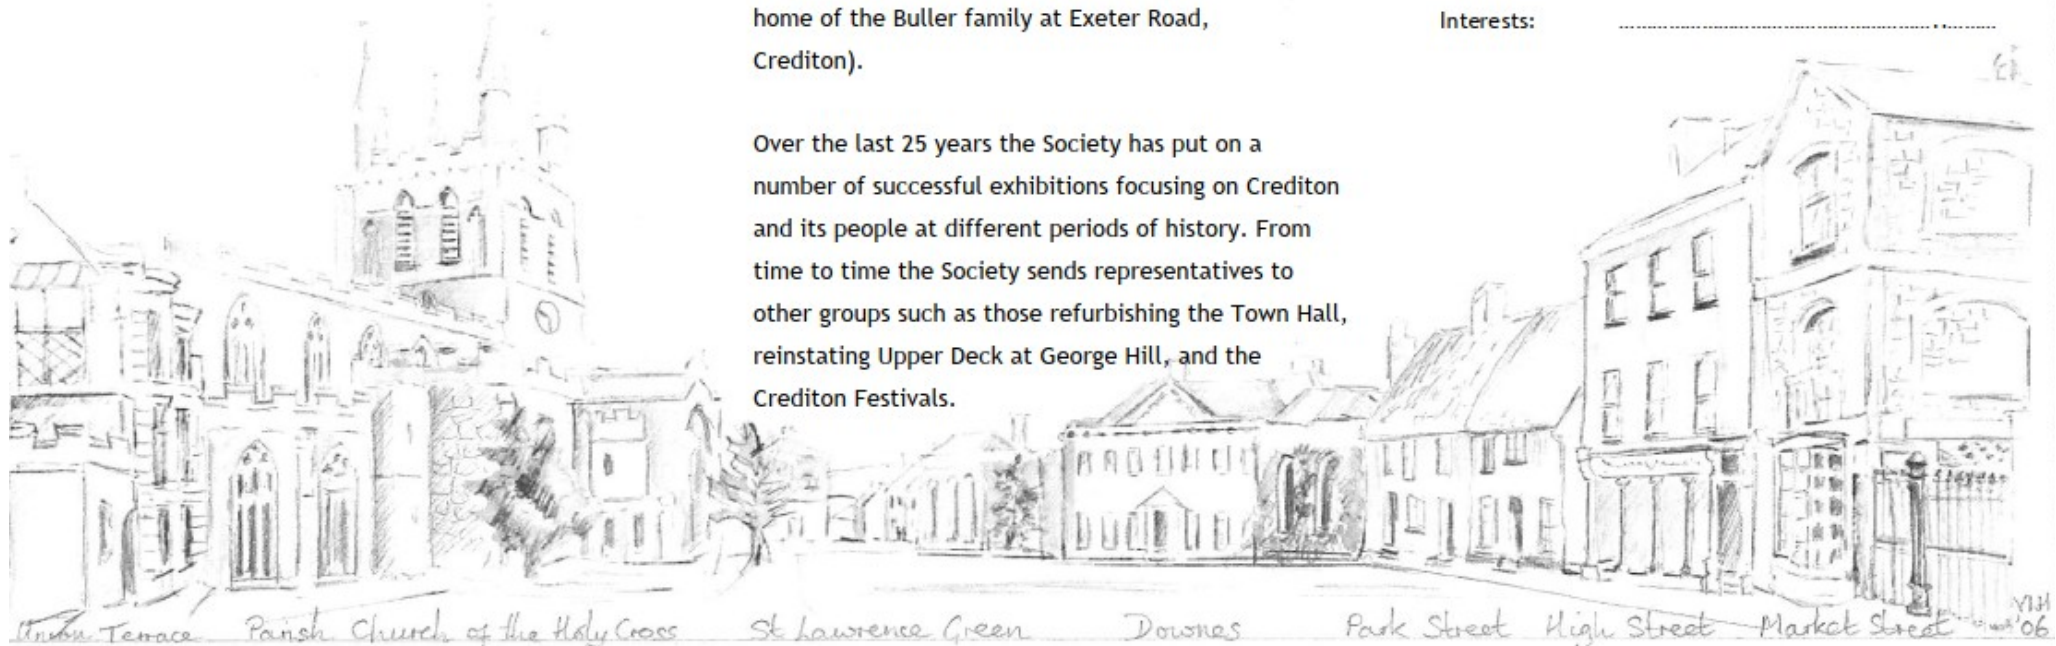

Visits to local historic houses, museums, and other places of interest

Social events

Meetings are held on the second Monday of each month from September to May, usually at the Boniface Centre, Crediton, at 7.30 p.m.

Refreshments available

Crediton Area History and Museum Society

was formed in 1984 by a group of enthusiastic local historians aiming to promote interest in local history and to provide Crediton with a Museum.

Crediton Museum and Heritage Centre opened in Spring 2010 in the Town Hall ground floor room. It is run entirely by volunteers with funds from grants, donations, and fundraising events.

The Society continues to receive donations of documents, maps, postcards and other items concerning Crediton and the surrounding villages. These are stored in rooms at Downes, by kind permission of Mr Henry Parker. (Downes is the historic home of the Buller family at Exeter Road, Crediton).

Over the last 25 years the Society has put on a number of successful exhibitions focusing on Crediton and its people at different periods of history. From time to time the Society sends representatives to other groups such as those refurbishing the Town Hall, reinstating Upper Deck at George Hill, and the Crediton Festivals.

If you would like to become a member, please complete the enclosed form and send it to The Treasurer, Crediton Museum, High St, Crediton EX17 3LF (The membership fee for 2023/24 is £15.00)
