was formed in 1984 by a group of  
enthusiastic local historians aiming to  
promote interest in local history and to  
provide Crediton with a museum.

Our Museum & Heritage Centre is in the  
Old Town Hall on Crediton High St. We  
open the museum during the Spring and  
Summer months – usually with a new  
exhibition each year. It is run entirely by  
volunteers with funding from grants,  
donations and fundraising activities.

The Society continues to research many  
aspects of local history and to present  
this through talks, walks and publications
